

Short Course

Essential Human Research Ethics Committee (HREC) Training Course

Our **Essential HREC Training Course** provides a deeper understanding of the purpose and function of an HREC and all roles within the committees.

The course is supported by leading experts in the field of Human Research Ethics and provides an important opportunity for students to engage with thought leaders and their peers in a supportive learning environment.

During this course students will be involved in online learning environments facilitated by leading Human Research Ethics experts and will be conducted at various locations nationally.

The anticipated course duration is 3 months, with an average commitment of 1.5 hours per week.

ENROL NOW

To enrol is simple.

Go to >> www.praxisaustralia.com.au

Click 'Enrol Now' and follow the instructions provided.

Course Outline

- Unit 1 An Introduction to Human Research Ethics
- Unit 2 The Human Research Ethics Committee
- Unit 3 The Values and Principles of Ethical Conduct
- Unit 4 Social, behavioural and humanities research; specific considerations for HRECs
- Unit 5 Clinical Research; specific considerations for HRECs
- Unit 6 Risks and Benefits in Research
- Unit 7 Consent and alternatives
- Unit 8 Accounting for ethically significant differences in research populations
- Unit 9 Specific roles and responsibilities of HREC members and administrators
- Unit 10 Ethics submissions - Standard considerations and national frameworks

Each unit is comprised of various resources and short activities that allow students to assess their learning as they progress through the units. Students are encouraged to complete the course within 6 months from the time of issue of course access. Extensions after 6 months may be negotiated under special circumstances. If an extension is not negotiated an Administration Fee (30% of the total charge) will be applied providing access to course materials for an additional 3 months (maximum).

On completion of the course you will be issued with a PRAXIS Statement of Attainment.
