PRAXIS PARTNERSHIP PROGRAM

"Strengthening the clinical trials sector"

PRAXIS Australia partners with organisations across research and clinical trials to pave the way for collaborations on mutually beneficial projects and offers of value to networks.

PRAXIS Partners

Our partners are diverse and include universities, government organisations, private hospitals, medical research institutes, and not for profit organisations.

About us

PRAXIS Australia delivers high-quality, accessible training to enhance confidence and capability in clinical trials, research, and ethics.
As a trusted leader in the sector, we support professionals across Australia, New Zealand, and internationally.

Partnership Benefits

PRAXIS Partners and their networks receive exclusive in-kind benefits, including 20% off all training solutions, complimentary workshop passes, customised training options, and a featured listing on the PRAXIS website.

- Your staff and members gain exclusive savings, early access to new offers, and enhanced professional development opportunities.
- Collaborate on mutually beneficial projects and offers of value.
- Adapt and sustain a strong workforce with priority access to the latest training and education.
- Connect with new audiences and elevate your reputation
- Priority access to pre-qualified trained clinical trial candidates from our PROgress Program to grow your team
